NAS award.

Bruce Ames seems to me the  
obvious candidate. But could  
I ask you to pull together the  
background (items 1-3) and  
draft 4? By all means  
consult Jim. Joyce McCann  
in Bruce's lab might be a resource.

If necessary to meet deadline,  
send directly to Volter, with  
copy to me. See you later.  
Hurry,
